

February 11, 2010

*Aloha...* High School Student,

You're going to be wishing that you were in Hawaii, because this Winter Camp is going to be a chill!! Fixated Winter Camp 2010 - With music by **GROUP 1 CREW, IVES the Band** and worship with the **Day 7 Band**. To bring us the Word of God we have lined up an incredible speaker, Peter Jon Courson; and of course you're stuck with me (Pastor Steve) because after all... "it's my stinkin' camp!" By God's grace and much prayer I am anticipating that this will be one of the best camps ever!

The theme for this camp is **FIXATED!** There is not another generation in history that is as distracted and mislead as the one we are living in; from those people still lost in the world searching for answers to those in the church distracted by the temptations of society. I believe the remedy that we are searching for is Jesus Christ. The goal for this camp is that we would become more **FIXATED** on Christ! The question is...are you ready? **Here's the data:**

- **Balances were due on Wednesday, February 10:** If you haven't turned them in please make sure you do so A.S.A.P. Also, **bust out your release form** and drop it off with us if you haven't already. We can't let you into camp without it!
- **Check-in:** Friday, February 19<sup>th</sup> from 4 P.M. - 5:30 P.M. Dinner will start at 6p.m. (If you miss dinner please eat on the way up. You may check in later if necessary.)
- **Check out:** Sunday, February 21<sup>st</sup> from 12 P.M. - 1 P.M. (please be on time.) Unless Jesus comes back, then no worries, but if not, "**YOU**" are responsible to provide your own transportation to and from camp. (Map on back)
- A few things that you will need for camp...**Bible**, sleeping bag or bedding, towels for bathing, toiletries, jacket, sweatshirt, flashlight, good shoes, cash for the snack bar and our stylish **Activate Gear!**
- Try to leave all of your electronic attachments at home for the weekend (in the past we have had some come up missing). Also we don't want God having to speak to you through your ear buds.
- Contact number **FOR EMERGENCIES ONLY, 951-205-8100.**

**Closing comments:** I cannot think of a more timely camp than this one... from the strongest to the weakest Christian, we all can become more **FIXATED** on Christ. As 1 Timothy 4:10 tells us "we have our hope fixed on the living God, who is the Savior of all people..." Fix your eyes, heart and mind on Christ and you will come down from the mountain with your face glowing like Moses.

God Bless you,

Pastor Steve and Laurie Wilburn
